We are devoted to our staff and to creating a vibrant, smart, organized environment. If interested, please submit a resume and a brief description of your primary talents and schedule availability to **info@ngvillage.store**. Those with a can-do attitude that feel a strong sense of responsibility are worth a lot to us.

Cafe Cooks: As important as experience is precision, cleanliness, orderliness, a desire to keep busy, a comfort multi-tasking, a comfort with being under pressure and working at a rapid pace for hours, and strong customer service skills. We are hiring for all meals.

Retail Manager: Most of your time and effort will be directed towards Front End/Register activities, but we are looking for someone with experience sourcing and displaying food; preferably with a familiarity of local vendors and purveyors.
